NABP/AACP Districts 1 & 2 Annual Meeting: Advancing Our Profession Through Pharmacy Collaboration

CE Accredited Live Activity
September 20-23, 2023
Hard Rock Hotel and Casino
Atlantic City, New Jersey

This **knowledge-based activity** is provided by Rutgers Biomedical and Health Sciences (RBHS) Ernest Mario School of Pharmacy.

This activity was developed in collaboration with Fairleigh Dickinson University's School of Pharmacy and The New Jersey Board of Pharmacy.

Overview and Course Description

The NABP/AACP Districts 1 & 2 Annual Meeting is intended to connect pharmacy leaders, educators, practitioners, regulators and other stakeholders to discuss timely topics and issues relevant to the practice of pharmacy with representatives from Virginia to Ontario. This year's conference theme, *Advancing Our Profession Through Pharmacy Collaboration*, will ensure opportunities for networking and idea-sharing among stakeholders across the profession and region. Continuing pharmacy education activity offerings will emphasize critical issues impacting the pharmacy profession, including the impact of the Drug Supply Chain Security Act (DSCSA) and the impact and requirements delineated in United States Pharmacopoeia (USP) General Chapter <795>. Emphasis on pharmacy workforce wellness, emerging practice models and technologies, and the future of the profession will be incorporated.

Target Audience

This activity is designed for Pharmacists and Pharmacy Technicians.

Learning Objectives (pharmacists and pharmacy technicians):

1. Articulate best practices for addressing gaps in practice related to the emerging USP <795> nonsterile pharmaceutical compounding standards and implications for pharmacy professionals;
2. Enumerate practice changes related to medication dispensation in the face of the final phase of the DSCSA standards;
3. Describe the necessity of collaboration in contemporary pharmacy practice in supporting emerging roles and professional practice change;
4. Define the implications for shifting to a competency-based educational experience for pharmacist learners and emerging roles for pharmacy technicians.

Speakers

William Cover, RPh
Associate Executive Director, National Association of Boards of Pharmacy

Speakers (continued)

Ilisa Bernstein, PharmD, JD, FAPhA
Senior Vice President and Former Interim CEO, American Pharmacists Association

Jessica Adams, PharmD
Director, Advocacy, Outcomes

Maimuna Bruce, PharmD, MBA, MS
Pharmacy Advocacy, Regulatory Affairs Manager, Outcomes

John Colaizzi, Sr, PhD, RPh
Dean Emeritus, Ernest Mario School of Pharmacy, Rutgers University

Director of Pharmacy Affairs, Walgreens

Activity Planners

Joseph A. Barone, PharmD, FCCP (Activity Director)
Dean and Professor II, Ernest Mario School of Pharmacy, Rutgers University

John L. Colaizzi, Jr., PharmD, CCP, FNJPhA
Vice President, Pharmacy Services and Delivery, Walgreen Co.

Jimmy Gonzalez, PharmD, BCPS
Clinical Assistant Professor, Ernest Mario School of Pharmacy, Rutgers University

Activity Reviewer

Mary Bridgeman, PharmD, BCPS, BCGP
Clinical Professor, Ernest Mario School of Pharmacy, Rutgers University

JOINTLY ACCREDITED PROVIDER™
WITH COMMENDATION
INTERPROFESSIONAL CONTINUING EDUCATION

Accreditation and Credit Designation

In support of improving patient care, Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Pharmacists and Pharmacy Technicians: This knowledge-based activity UAN# JA0000855-0000-23-029-L04-P-T is accredited for a total of 4.5 contact hours (0.45 CEU's) of continuing pharmacy education credit. Pharmacists and pharmacy technicians should claim only those contact hours actually spent participating in the activity.

Method of Participation, Requirements for Completion and Instructions for Obtaining CE
CE credit will only be awarded for individual who successfully complete the activity (e.g., sign in daily, completing the activity evaluation form).

Pharmacists: Your official record of ACPE credit will be generated through the CPE Monitor System. Attendees can earn CE credits for attending this activity by electronically logging onto the website: <https://rutgers.cloud-cme.com>, creating a profile that includes day and month of date of birth and NABP e-Profile ID, signing in, and completing the online activity evaluation. The certificate printed after completing the evaluation for this activity is for personal tracking purposes only. Your NABP e-Profile ID and date of birth will be collected through the evaluation. CPE credit will be processed after the evaluation closes to participants, which will be three to four weeks following the activity date. Please note that you must complete the evaluation before it closes. Under ACPE Policy, RBHS will not able to report your activity completion to CPE monitor if your NABP e-Profile ID and date of birth are reported to and received by RBHS more than 60 days following the activity. Kindly view your credits at MyCPEmonitor.net.

Peer Review Statement

In order to help ensure content objectivity, independence, and fair balance, and to ensure that the content is aligned with the interest of the public, this content has been reviewed by a non-conflicted, qualified reviewer. This activity was peer-reviewed for relevance, accuracy of content and balance of presentation by Mary Bridgeman, PharmD, BCPS, BCGP, Clinical Professor, Ernest Mario School of Pharmacy, Rutgers University.

Disclosure Declaration

In accordance with the disclosure policies of RBHS and to conform with Joint Accreditation requirements and FDA guidelines, individuals in a position to control the content of this educational activity are required to disclose to the activity participants: 1) the existence of any relevant financial relationship with any ineligible company, i.e., a company whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients, within the past 24 months; and 2) the identification of a commercial product/device that is unlabeled for use or an investigational use of a product/device not yet approved.

Financial Disclosure Declarations

Activity Director: Joseph A. Barone, PharmD, FCCP has no relevant financial relationships with ineligible companies to disclose.

Planning Committee: John L. Colaizzi, Jr., PharmD, CCP, FNJPhA and Jimmy Gonzalez, PharmD, BCPS have no relevant financial relationships with ineligible companies to disclose.

Faculty: William Cover, RPh; Ilisa Bernstein PharmD, JD, FAPhA; John Colaizzi, Sr., RPh, PhD; KC Ogbonna, PharmD; and Lorri Walmsley, PharmD have no relevant financial relationships with ineligible companies to disclose.

Jessica Adams, PharmD and Maimuna Bruce, PharmD, MBA, MS are employees of Outcomes.

Their activity presentation content is not related to the business lines or products of Outcomes.

Financial Disclosure Declarations (continued)

Peer Reviewer: Mary Bridgeman, PharmD, BCPS, BCGP has no relevant financial relationships with ineligible companies to disclose.

Off-label/Investigational Use Disclosure

This activity does not contain information of commercial products/devices that are unlabeled for use or investigational uses of products not yet approved.

Content Disclaimer

The views expressed in this activity are those of the faculty. It should not be inferred or assumed that they are expressing the views of any manufacturer of pharmaceuticals or devices, or RBHS, or activity collaborators.

It should be noted that the recommendations made herein with regard to the use of therapeutic agents, varying disease states, and assessments of risk, are based upon a combination of clinical trials, current guidelines, and the clinical practice experience of the participating presenters. The drug selection and dosage information presented in this activity are believed to be accurate. However, participants are urged to consult all available data on products or procedures before using them in clinical practice.

RBHS reserves the right to modify the activity content and faculty if necessary.
